Guys,
I had another conversation with the attorneys that helped me set the private money placement documents up. They asked me if I was still sending out the contracts and if I was to stop.

So from now on there will not be any contracts sent out. It makes sense now because everything we need for the investors is found in the documents. There are even samples of the contracts. Before all we had was the contract, so we had to send them. Plus I'm the only one that can sign them.

Matt, being the great attorney that he is, also set up a system for me to sign those as he writes them. This will save us a lot of time and streamline the process.

What you will receive is a list of what has closed and a list of new ones in a screen shot or an emailed spreadsheet so you can continue to update your spreadsheets and addendums and inform the investors of their closed and new deals.

Thank you for your understanding. It's imperative that we only use the documents that have been made by the attorneys for the private money placement. So this is another step towards being compliant.

You can share this with your people.

Jeff

Friends and Family,

I wanted to reach out to all of you and briefly comment about recent events that you may have read about in the news media. I am shocked, saddened and have no words for the recent actions of the company's attorney Matthew Beasley and the allegations now surrounding him. As a licensed attorney, the company has relied on Mr. Beasley for legal advice and recommendations for several years regarding the legality and structuring of the investments. With the help of several attorneys, I am trying to assess the impact of the allegations and events as information and facts become available.

I, like you, have many unanswered questions and I assure you that we are working diligently to investigate what happened and to aggressively uncover the true facts underlying the allegations against attorney Beasley. Our efforts are ongoing and designed to protect you and your investments. I know many of you have questions about the funds you transferred into attorney Beasley's attorney trust accounts. Unfortunately, attorney Beasley had exclusive control over those trust accounts, and I am unaware of their present status. Information about attorney Beasley and the status of his law firm and the associated attorney trust accounts is not readily available, but we are working to obtain as much information as we can.

My attorneys have instructed me to limit my communication regarding the current situation and attorney Beasley as there are more questions than answers at this point. If you have questions, please direct them to my attorney Trevor Waite at 702-233-4444.

I appreciate your trust, understanding, and patience as we work to figure out the true facts. I will provide you with another update as information becomes available.

Sincerely,

Jeffrey Judd
